Color Cruise & Island Festival

October 11-13 2013
Fri, Sat, Sun 10:00-5:00

Color Cruise and Island Festival celebrates with an unmatched combination of nature's glories and mid-Michigan good times. The towering hardwood trees compete to see which can most beautifully reflect colors on the river.

Our beautiful river boat takes admirers up and down the river, providing a relaxing slice of history and an unmatched view of our historic 60 foot sandstone ledges. Rock climbers come from across the country to conquer the sheer ledges. Try your hand, or just enjoy watching those that dare.

Fur traders will inhabit the area all three days. Folk music played on traditional instruments, voices raised in hearty harmony, and the rhythmic thud of cloggers mark the weekend.

Then, there's the food! Chili, freshly popped black kettle caramel corn, hotdogs and brats, and more soothe appetites sharpened by the cool air.

Friday is special for seniors: Bus tours are welcome and group packages can include step-on guides, a historic driving tour and a ride on the authentic river boat.

The Historical Society Museum is open all three afternoons. There is also a bicycle color tour on Saturday, and a narrated boat cruise and nature walk on the Ledges on Saturday and Sunday at 1:30.

Autumn is celebrated with pioneer demonstrations and fall related activities. The smoky smells of blacksmithing mixed with the warm and comforting scent of bean soup cooking over an open fire, evoke memories of our past.

Children can cuddle the bunnies and pet the sheep and llamas in the petting zoo. Try a craft or even crank a corn sheller.

Weaving, basketry and more round out the family festival.

Grand Ledge cloaks itself in finery so vivid and exciting in October that one would think there was a party. We invite you to come!
